2018	Amount granted $
2017	Amount granted $

If yes, did the applicant report proper use of grant funds for prior year? Yes ___ No ___

Did the proposal have the appropriate signatures including church or Regional Pastor? Yes __ No __

Evaluative criteria for grant applications in five different areas:

- Project Design and Innovation
- Impact and Outcomes
- Financial Information
- Knowledge of Community Need
- Sustainability Efforts

Based on the above criteria, score application from 0 to 3 as follows:

3 – Exemplary: Application provides research, strong examples, and realistic estimates. Application is thoroughly developed and well-thought out

2 – Adequate: Application is convincing, appropriate information is provided

1 – Needs Improvement: Basic information is given, details requested are described in general terms, project's description is not convincing of success

0 – Inadequate: Application does not provide or address the requested information
