

# “Together We Touch Lives”

What does it mean?

“*Together We Touch Lives*” represents in words why the Oklahoma Disciples Foundation exists and why we work every day to be faithful stewards. It represents the love, dedication and legacy of the donors to the Foundation and its endowments. Each donor, whatever the gift, has endowed a legacy of Christian devotion to the betterment of the lives and spiritual well-being of others.

“*Together We Touch Lives*” also represents the faithfulness of the employees, prayer partners and Board of Directors of the Foundation to the Foundation’s mission.

At its core it represents an opportunity to make a difference. It expresses a hope and a purpose. It expresses the belief of each person, whether a donor, an employee, a supporter or a director, that acting together enables and empowers the work of the church.

We touch lives because we *believe*. We *believe* in the power and grace of Jesus Christ to

change lives. We *believe* in helping children go to camp. We *believe* in sustaining the dignity of our elders. We *believe* in providing support for our educational institutions. We *believe* in the spiritual importance of good stewardship. We *believe*. If you believe in these things, please join us and “*Touch Lives*”. Volunteer your talents to the Foundation. Donate to one of the many existing endowments. Create a new endowment. Sign up to [pray with us](#) for the work of the Foundation.
